Author of three books, Prof. AK Trivedi said in his farewell speech, that I have worked for years laboriously for the college and the community. The key to success is hard work, but now if you can not work so hard, it does not mean that you do not want to give any further contributions. At the same time you can work more meaningful by taking advantage of past experience.

Prof. Trivedi's Minor Research &quot; Changing land use pattern of Jalandhar city -Temporal perspective,&quot; was received highly appreciation by the UGC.

He further added, I am working because I get the energy, my intellect is sharp and I get the opportunity to use my talent which is hidden within me. Your skills, your knowledge and your positively influence the former earned success and thus can give meaningful service. Retirement is just a kind of change. You should understand that you had left the old house to get into a new home and then your new life begins.

Recalling his pleasant moments spent in college, Prof. Trivedi said, every day I learned something new, learning always has been my hobby and books have always been my best friend. I have enjoyed my tenure. I am glad that I am in everyone's ideas and always will. Thank you all.

Talking about his well connected memories with the college, he told, how his connection with every principle was very respectable and happy, everyone gives me a lot of respect and I had never clashed with anyone here. Very happily and gladly he spend his entire tenure with harmony in the Department of Geography. He said National Conference held in 2005 in the country's prestigious universities around the more than 180 delegates took part, are tied up with my very beautiful memories.

Prof. Trivedi from 1987 until 2016 played a marvellous role as a Squadron leader of NCC Air Wing leader in 29 years, he has participated in hundreds of NCC Camps, Prof. Trivedi was the first person at Dav College who make college take part in the camps. He also said while working in NCC it was a very delightful experience of mine.

Prof. Trivedi said I have to give today's young generation a message,&quot;The youth of today are extremely courageous and firm and there is urgent need to refine their personality as a whole. All young people need to become all-rounders because only then they will get success. Youth should keep yourself busy in productive works and never ever let anyone destroy the inner self confidence because over confidence can make us fall even from the top floor.

While talking about the philosophy of life,Prof. Trivedi Said &quot;life is like a race, which is full of challenges, if we will not work actively,the train of life will leave the station and we will be left bare-handed, especially the youth should be active and adventurous.

On the occasion, Prof. Kunwar Deepak , Prof. Kranti, Registrar Prof AK Bhardwaj, PRO Prof. Manish Khanna, Dr Raj Kumar, Prof Raj Purohit, DrSanjeev Dhawan, Prof. Navin Saini, Prof. Naveen Sood, Prof. Rajeev Sharma and others were present.
